**Jesus' Death & Burial**  
Matthew 27:45-66

The other two men crucified with Jesus were likely men who had taken part in some kind of \_\_\_\_\_ against Rome, which included \_\_\_\_\_.

The thief on the cross who defended Jesus had to have a great deal of \_\_\_\_\_ to believe Jesus' \_\_\_\_\_ was coming.

There were three supernatural events that accompanied Jesus' death:

1. The \_\_\_\_\_ of the \_\_\_\_\_

The moon is \_\_\_\_\_ during Passover, so it's no (normal) \_\_\_\_\_.

Part of the process of taking on the sins of all mankind involves a time when there's a \_\_\_\_\_ from God.

2. The \_\_\_\_\_ of the \_\_\_\_\_ in the temple

3. An \_\_\_\_\_

Joseph of Arimathea was a \_\_\_\_\_ and secret \_\_\_\_\_ of Jesus who had not gone along with the council's decision to try and convict Jesus.

The religious leaders were afraid that Jesus' followers would \_\_\_\_\_ to the tomb and \_\_\_\_\_ the \_\_\_\_\_ and then claim He had \_\_\_\_\_ from the \_\_\_\_\_, as He had said He would.

All of Jesus' life was focused on this act—\_\_\_\_\_ His \_\_\_\_\_ for us on the cross and taking our \_\_\_\_\_.
